

SPOKANE RIVER FORUM CONFERENCE 2016

SCHOLARSHIP INFORMATION

General Information

The Spokane River Forum is a small, non-profit organization. We make it a priority, however, to set aside part of our budget to provide community members assistance to attend conference activities. Your participation is very important to us. We will do our best to meet your needs, but may not be able to meet all requests.

Scholarship Criteria

Scholarships are available to those NOT attending the conference as part of their employed organizational responsibilities. Commonly, such individuals volunteer their time to watershed committees, non-profit organizations, and other types of community groups. For agencies and non-profits seeking a group rate or financial aid, call 509-535-7084.

Amount of Assistance

This form enables you to request assistance for the \$95 conference registration. Please request only the assistance you need. This greatly improves the Forum's ability to meet as many requests as possible.

Complete the Registration and Scholarship Application

The scholarship application form must be completed and postmarked or faxed to the Forum no later than close of business, Feb 23. In cases where you will be paying for part of the cost and asking assistance for part of the cost, your check for the balance will be due at the conference registration desk.

Selection

All applications will be treated confidentially. Selections and notifications will be made as soon as possible.
