

# Water Management Strategies Field Auditing Workshop

Learn the fundamentals of **irrigation water auditing**, proper **water management** and **irrigation system efficiency**. This hands-on workshop will help you manage water more efficiently by covering topics such as field audits, water budgeting, and irrigation scheduling.

**October 22, 2008**

**8:30 am to 3:30 pm**

**Liberty Lake Sewer and Water District  
22510 E Mission • Liberty Lake, WA**

This workshop is perfect for **park grounds staff, open-space irrigators, and contractors**. Taught by Ewing Instructors, certified by the Irrigation Association (IA). Continuing Education Units (CEU's) are available.
