

Greater Spokane River Watershed Regional Partnership Program (GSRW RCPP)

Public Meetings

GSRW RCPP is a partner-driven, locally led approach to enhancing conservation efforts in the Spokane River Watershed. NRCS awarded \$7.7 million from the RCPP program to the Spokane Conservation District (SCD) and partners to help producers and private forest landowners enhance conservation efforts across nearly 4 million acres of the Spokane River Watershed in Eastern Washington and North Idaho.

Learn more about the program at the following public meetings:

Monday October 24th 6:00-8:00 pm

DeSmet Tribal Longhouse
Byrnes Rd.
DeSmet, ID

Directions: Take U.S. 95 south past Plummer. Continue for another 13 miles to DeSmet. Take a right on DeSmet Road, then take the first left. Go past the Coeur d'Alene Tribal School. Then take a left on Byrne Road, go about four blocks and the new longhouse is on the right.

Wednesday October 26th 6:00-8:00 pm
