Mark your calendar and register. Spokane River Cleanup is September 17th

Sign up

Each year conservation groups, businesses, clubs, schools, churches and the general public come together to give the Spokane River some good old fashion love.

Last year over 600 volunteers removed over 4 tons of debris from the Spokane River shoreline. This year, plans are to cover locations in Spokane Valley, the University District, the Downtown River Gorge area, High Bridge Park, and People's Park.

On-line registration is now open - so **sign up today!** You can register as an individual or a group, and pick the area you want to work.

The Forum is delighted to be a partner to make this annual cleanup happen.
