[Click here to visit Silver Bow Fly Shop website](#)

A little rain did nothing to dampen the spirits of 2016 Spokane River cleanup volunteers. Crews were out in force picking up trash in Spokane Valley, the University District, the Downtown River Gorge area, High Bridge Park, People's Park and Hangman Creek. Here's the box score:

Volunteers: 692
Trash tonnage: 3.19 tons
Recyclables: 976 lbs

Talk about showing the river some love. [Click here](#) for pics.

This annual event is put on by a coalition of groups. Special kudos to the Lands Council for providing staff to coordinate and herd us into action. The Forum was pleased to again support the web site and coordinate Spokane Valley activities. This year's sponsors and partners included:

- American Canoe Association
- City of Spokane
- Johnson Controls
- Northwest Whitewater Association
- REI
- Riverside State Park
- Spokane River Forum
- Spokane Riverkeeper
- The Lands Council
- TransCanada
- Trout Unlimited
- Washington Department of Ecology
- Waste Management

Give them a shout out of thanks when you get a chance.

See you next year!!
