The Spokane River Forum is a non-partisan, non-profit organization that creates materials, events and activities that promote sustaining a healthy river system while meeting the needs of a growing population.

Spokane Valley River Cleanup a Big Success

Click here to view pics of last Saturday's Spokane River Cleanup!

The Forum partnered with Northwest Whitewater Association and Johnson Controls to coordinate cleanup from Stateline to Boulder Beach (16 miles). Over 150 people picked up nearly 2,000 pounds of trash along 8 sections of the river.

Combined with downstream efforts coordinated by the Lands Council and their partners, volunteers made the Spokane River a better place for everyone! Thank you!
