The Spokane River Forum is a non-partisan, non-profit organization that creates materials, events and activities that promote sustaining a healthy river system while meeting the needs of a growing population.

Spokane Valley River Cleanup September 12th

It's time to Get Up, Get Out for the Spokane River Cleanup in Spokane Valley! This is the only public cleanup scheduled for Spokane Valley this year.

Date: Saturday, September 12th

Time: 9:00 - 11:30 am

Locations: Barker Road, Harvard Road or Mirabeau

Access

Last year, over 150 participated. With a lot of river to cover, we need another great turnout. After all, many hands make for light work. [Click here](#) to sign-up.

Downtown Get Up Get Out volunteers did a heavy lift

Last Saturday, a volunteer crew of 37 picked up over 1,000 lbs of trash along the river in the downtown core. That's a wow! Thank you to these truly awesome folks.

Spokane Kootenai Waste Directory breaking records

So far this year, over 43,800 people have used the **Spokane Kootenai Waste Directory**. At this rate, up to one-third of households in the Spokane-Coeur d'Alene Corridor will use the directory in 2020. Said Forum Executive Director Andy Dunau, "One stewardship choice at a time, we've unleashed the power of thousands to take care of our water, land and air by putting waste in the right place."

The Forum thanks our partners for making the directory a

great community success. City of Spokane, Idaho Aquifer Protection District, Idaho Panhandle Health District, Spokane County, Spokane Aquifer Joint Board, Spokane Regional Health District, Spokane Regional Clean Air, and WA Department of Ecology.
