Redband Park Water Trail Sign Installed

The Forum continues to provide wayfinding and safety information at our Spokane River Water Trail access points. Thank you to Brian Durham for getting this latest sign installed. Said Brian, who is also a **Spokane Canoe and Kayak Club** board member, "As we worked on installation, a steady stream of tubers and rafters were using the launch. Lots of happy river folk. The Forum and City really did something special for the community."

Visit SpokaneWaterTrail.org to find lots of ways and access points to enjoy the river.

The Spokane River Forum is a non-partisan, non-profit organization that creates materials, events and activities that promote sustaining a healthy river system while meeting the needs of a growing population.
